

Leverett House

Description:

THE LEVERETT HOUSE is located in the Village of Taos Ski Valley, in the southern rocky mountains of northern New Mexico. It is the Leverett family's "home away from home" and it's available to other families for short-term rental. The 1,350 square-foot home has a large living area with a huge fireplace, a lovely dining room, and wonderful views of the surrounding forest. The kitchen is fully equipped with washer, dryer, microwave, dishwasher, and most needed cookware. There are three bedrooms and two bathrooms, adequate for a party of eight. There is also DirecTV (satellite) and VCR/DVD player. THIS IS A NON-SMOKING AND NO PET HOME.

The home is directly across the street from Amizette Inn where our guests can enjoy a hot sauna for no charge. Hearty breakfast dining, massage services, and Chiropractic aid are services available by calling 505 776 2451.

The house is somewhat secluded, but easily accessible to great trout fishing and wilderness hiking in the summertime. In the area, we often have sightings of mountain sheep, deer, bear, and bird varieties. The house is a prime location for skiing enthusiasts. Free shuttle service to the slopes is available by contacting Amizette Inn so our guests can leave their car and let others do the driving.

Address Line 1: 122 Sutton Place
