Albuquerque International Balloon Fiesta

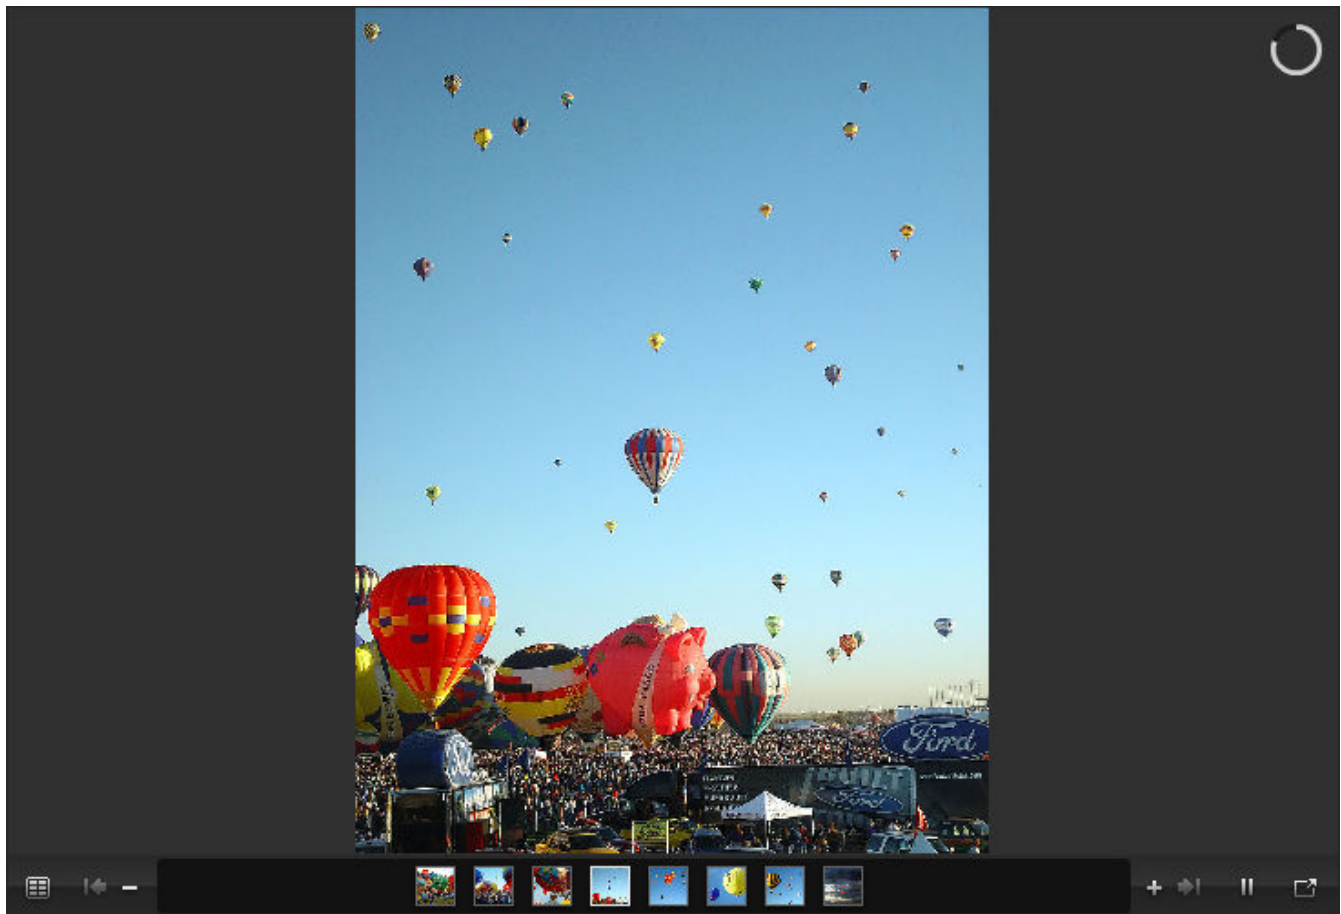

Albuquerque provides some of the most picturesque views in the Southwest, but during the International Balloon Fiesta, October 3–11, the city's skies will provide just as much of a feast for the eyes as its landscape does. With the city's unique multicultural heritage, you certainly don't need an extra reason to visit, but if you're looking for an excuse, an estimated 550 hot-air balloons are sure to elevate an already enriching ABQ experience.
